

Coaching Membership with Nu Epps

My Business Coaching Membership offers you every resource you need to improve your business with the advantages of being far cheaper and way more flexible than other program I offer.

And if you find that you need some personal, face-to-face support from me for a specific purpose, we can provide that opportunity for you as well at 30% off of the regular service price.

On the next few pages, let's have a better look at the value you will get from becoming a coaching member.

Sample Membership Webinars Include:

*Business Plan Writing
Business Finance & Funding
Business Operations
Marketing & Social Media
Book Writing & Publishing
Website Building
Finding Business Partners
& More*

What Does it Cost?

My coaching membership costs just \$25 per month and you can even get a 30% discount if you take the **annual fee option of just \$210 (Save \$90)**. There are no contracts. Just cancel your subscription before your next billing cycle if you don't want it anymore.

What is Included?

Unlimited access to new content every month to include workbooks, community support forum, planning tools, and free training webinars from Nu Epps 24/7 from anywhere in the world.

What Do I Learn?

My member program provides monthly business education & training. I also address questions raised by you and other members and provide the tools and resources you need to help you grow your business and improve operations.

Why Should I Join?

My small business coaching membership opens up access to my small business network and resource bank. I absolutely believe that the best people to provide advice to business owners is other business owners who have faced the same challenges that you may experience right now.

Membership resources are designed to give you immediate access to 12+ coaching modules and action plans to guide you through your personal business improvement journey year after year.

Our membership network also gives you the opportunity to brand your business globally and even share your knowledge to help other members.
